

QUESTION TO THE FCC
HOW CAN YOU REGULATE THE PROGRAMMING THAT XMRADIO WANT TO PROVIDE?
IS"NT WEATHER AND TRAFFIC INFORMATION A MATTER THAT THE PUBLIC NEEDS TO KNOW?

BROADCAST RADIO STATIONS ARE ALL A BUNCH OF BABBLE
AT LEAST THE ONE I LISTENED TO BEFORE XM RADIO

I PAY FOR A SERVICE WHICH I LOVE VERY MUCH, I ONLY USE XM RADIO AT WORK AND IN
MY CAR EXCLUSIVELY

SINCERELY, ERIC JEVELI
